Purchase a Stallion Service Auction or Donated Futurity and Automatically Donate to Charity!

DeGraff Stables is pleased to continue in 2015 the popular DGS Charity Program beginning in 2011. We will once again donate \$100 of each \$250 Futurity Breeding Booking Fee to the Charity of the Mare Owners Choice from our list of eligible organizations: The Jimmy V Foundation, Make A Wish Foundation, Big Brothers Big Sister, USPEA Para-Equestrian, The Black Stallion Literacy Foundation, CKRH Horses For Heroes, USPC Pony Club and the Victory Gallop Therapeutic Riding Center. When you pay your booking fee, make your selection and advise us as we process your stallion breeding contract, we will contact the appropriate organization and will donate \$100 of each booking fee to the charity! As a mare owner, you may also choose to match the donation. Send in an extra \$100 and we will also forward this in your name to the Charity. We thank the many people last year whom also chose to help us help others. A sincere thank you to all whom participate!

*****Terms and Conditions for Purchasing the Futurity Breeding ~ Please read carefully! *****

Almost every futurity has different terms for the sale of the breedings for their association. Please take time to find out exactly what to expect in costs. When we submit a breeding fee for **DGS IndyGo**, we subtract from his published fee the inherent costs that make up his total fee; this results in a true "stallion fee" for the Association to use as a basis for the beginning bid or amount owed to the Association. The purchaser will owe a Booking Fee and be responsible for Shipping Fees or Farm Charges to be paid separately to DeGraff Stables. Each Association determines the percent of the "stallion fee" plus any office charges to be paid by the mare owner to the Association. All in all, we are pleased to supply the mare owner with the opportunity for a substantial discount for their breeding donation that supports the association and promotes the foals of **DGS IndyGo**.
