This ICSI ADDENDUM agreement ("Agreement") is executed in addition to the DeGraff Stables, Inc. 2027 Stallion Breeding Contract and is entered into ("Effective Date") as identified by date and signature on Page 3 of the breeding contract, and as signed below for breeding services by and between the stallion owner ("Stallion Owner" DGS-DeGraff Stables, Inc.: CT, DGSL, DGSR, DGSTE, DGSV, FF, FTG, ITA & TA) and, for ICSI Breeding conditions by and between DeGraff Stables, Inc., ("DGS") the breeding facility and the mare owner ("Mare Owner") for one service to the STALLION: _____. Stallion Owner and Mare Owner may sometimes be referred to herein individually as "Owner" and collectively as the "Owners". Now, therefore, in consideration of the foregoing promises, covenants and other valuable considerations contained herein, the Owner(s) and DGS agree as follows:

Breeding Fee. See Pg 1 of 2027 Stallion Breeding Contract for 2027 Fee

Shipping Terms and Conditions. All frozen semen supplied remains the property of DeGraff Stables Inc and/or Chase Farms. Mare owner is entitled to receive and is responsible for all costs relating to the shipment of 1 frozen straw by DeGraff Stables Inc to the approved ICSI center if the center does not have frozen semen in its inventory. (DeGraff Stables, Inc. is **NOT** responsible for COSTS arising from shipments lost, damaged, or delayed in transit, or condition of cooled shipped semen upon delivery. We have no control of the shipment once it leaves our facility. There will be no refunds given for lost, delayed, or damaged shipments.) The mare owner agrees to use all ICSI frozen semen provided by this contract for the mare specified on Pg 1 of the 2027 Stallion Breeding Contract and above on the ICSI Addendum and no other mare. DeGraff Stables Inc will allow three (3) attempts to obtain a pregnancy per year. If mare owner is unsuccessful after three (3) attempts, a rebreed fee must be paid.

Frozen semen will only be shipped to the address of an ICSI facility approved by Stallion Owner or its storage agent. Mare owner is responsible for any handling and shipping fees as they may apply. The parties agree that the obligations of performance by the shipping agent and by Stallion Owner shall be met when the frozen semen shipment is tendered to parcel delivery service for shipment and risk of loss transfers to Mare Owner. A $750 USD Dry Shipper deposit is due prior to the first shipment of semen. The Dry Shipper must be returned to DeGraff Stables, Inc. at Mare Owner's expense within three (3) days of its arrival. Failure to comply with this term will result in the accrual of a $50 per day late fee and the potential forfeiture of the Dry Shipper deposit and an additional deposit will then be required for any subsequent shipments. Any loss or damage to the Dry Shipper or any of its parts or pieces will be the responsibility of the Mare Owner and any compensation for loss or damage may be taken from the deposit. The deposit may also be held until any balance due for shipping expenses and/or late fees have been paid. Mare Owner is responsible if the Dry Shipper is lost or damaged during return shipping.

Stallion Owner retains ownership rights to any unused doses/portions of straws of semen and reserves the right to reclaim those doses at no cost to Mare Owner. Unused doses of frozen semen may not be used in any other year or on any other uncontracted mare without advance approval in writing from Stallion Owner. Failure to adhere to this condition may result in inability to register the resulting foal and will result in additional fees.

Multiple Embryos. Mare owner must notify DeGraff Stables of all embryos, should more than one embryo result from breeding to the Stallion during embryo harvesting, Mare Owner must pay an additional Breeding Fee (25% Discount) within ninety (90) days of a confirmed pregnancy in 2027 in order to receive a breeding certificate for any additional embryo or foal that may result from the additional embryo(s). If the Mare carries and delivers multiple foals as a result of a 2027 breeding, an additional Breeding Fee (25% Discount) will be due within thirty (30) days of both foals standing and nursing in 2028.

Cryopreserved/Vitrified (frozen) embryos will be charged for the current year's breeding fee if not paid for and/or used in the same year as this contract. For all additional embryos implanted in 2028 through 2029 that result in a pregnancy, within 45 days of each additional pregnancy, mare owner shall pay breeding fees in effect at the time of each additional confirmed pregnancy. Mare owner must use and pay for all frozen embryos during 2027 through 2029.

No breeder's certificates will be issued until all breeding fees and/or penalties are paid in full.

Notifications. Mare owner must advise DeGraff Stables Inc the following as they are incurred:

1. The date of procedure and the total number of embryos recovered
2. The date for each and the total number of embryos transferred into recipient mares
3. Total number of embryos cryopreserved/vitrified (frozen)
4. The date when a cryopreserve/vitrified (frozen) embryo is transferred into a recipient mare
5. The date of ALL 30-day confirmed pregnancies

Stallion Breeding Report. It is the mare owner's responsibility to notify DeGraff Stables Inc by August 1st of any and all breeding dates for the donor mare and/or any recipient mare in order to be put on the Stallion Breeding Report. Mare owner's credit card will be charged immediately for all confirmed pregnancies as per the contract. If the mare owner does not report, DeGraff Stables Inc will assume that the mare is not in foal and will not include the mare on the Stallion Breeding Report.. After August 1st, there will be a $250 late fee charged per mare that is not reported pregnant in amend the Stallion Breeding Report.

Failure to notify DeGraff Stables Inc of confirmed pregnancy may result in a fee penalty of $1000.00 for each.mare that was unreported. Penalties must be paid in full prior to issuing a breeders' certificate for any of the resulting foals.

Live Foal Guarantee/Rebreed Privileges. If the recipient mare absorbs/aborts a pregnancy or if the donor mare oocytes fail to conceive with the supplied ICSI frozen semen in 2027, DeGraff Stables and/or Chase Farms agree to offer re-breed privileges applicable ONLY during 2028 and will be subject to a rebreed fee of $500.00 plus all applicable semen shipping or storage charges.

DEGRAFF STABLES, INC.

2027 Stallion Breeding Contract: ICSI ADDENDUM ~ All Stallions

Rebreed/Live Foal Guarantee privileges shall only apply if DeGraff Stables Inc is notified of a rebreed/live foal guarantee event. If the mare does not return to an ICSI Center approved by DeGraff Stables Inc the following year for rebreed/live foal guarantee privileges, all fees paid shall be forfeited the right to a rebreed and live foal guarantee will be canceled, and DeGraff Stables Inc is released from all further obligations under this contract.

DeGraff Stables Inc and/or Chase Farms will be held harmless if a mare fails to settle for any reason.

Certificates. Upon notification of birth of a live foal and confirmation that all accounts are fully paid to stallion owner and/or agent and expenses and the performance of all other obligations of Mare Owner under this Agreement are paid in full. The Breeder's Certificates will be issued or released on line by Stallion Owner and mailed to Mare Owner for each of The Mares.

Breeder's Certificates for additional registries (other than AQHA, APHA or ApHC) may be available at a fee of $100 each plus any costs to submit a breeding report for the organization.

Substitutions. If in the foaling year the mare designated in this contract dis or is unfit to breed and DeGraff Stables Inc is provided with a veterinarian's statement confirming these conditions, a substitute mare may be designated, with DeGraff Stables Inc prior written approval, at no additional charge. In all other cases, if an approved substitute mare is used by the Mare Owner, a $250 mare substitution fee will be charged. If DeGraff Stables Inc is not notified and an unapproved mare is used the Mare Owner will be subject to a $1,000 mare substitution fee.

The LFG will become void if the following conditions are not met: a. Mare Owner must forward a certification signed by the breeding vet that Mare or Recipient Mare did not settle and is not in foal by the end of breeding season; or, Mare Owner must notify Stallion Owner within forty-eight (48) hours of foaling or aborting that the mare did not produce a live foal; and within fourteen (14) days after Mare Owner's notice to Stallion Owner, the Mare Owner certifies to Stallion Owner that the birth was properly attended, and also provides proof of proper administration of rhinopneumonitis vaccine in the 5th ,7th , and 9th months of gestation, and also produces a statement from Mare Owner's licensed veterinarian stating details explaining the failure of the mare to produce a live foal. Unless approved by Stallion Owner in writing, the LFG shall be void and Stallion Owner will be released from liability if Mare is sold prior to foaling. Rebreed fee, semen fee and shipping fees apply to approved rebreed

WARRANTY. NO WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, SHALL ACCOMPANY A BREEDING COVERED BY THIS AGREEMENT. NO GUARANTEE OF DELIVERY OF SHIPPED FROZEN SEMEN WITHIN A CERTAIN TIME PERIOD OR GUARANTEE THAT SHIPPED FROZEN SEMEN WILL SAFELY REACH THE INSEMINATION POINT OR WILL BE THAWED WITHOUT LOSING SOME OF ITS INTEGRITY, QUALITY OR CHARACTERISTICS WILL BE GIVEN.
